NOTE: PORTABLE CANOPIES DO NOT QUALIFY AS A "CARPORT" FOR THE PURPOSE OF STORING UNLICENSED OR INOPERATIVE VEHICLES OR VESSELS.

Zoning Permit Portable Canopies

Portable Canopies do not qualify as a "Carport" for the purpose of storing unlicensed or inoperative vehicles or vessels.

- Portable canopies must comply with all of the following requirements:
- (A) Portable canopies shall be anchored to resist wind-induced overturning, uplift, and sliding.
 - (B) Portable canopies shall be located behind the leading edge of the living area of the principal structure.
 - (C) Portable Canopies are required to meet a side yard setback of 7.5 feet on an interior lot, and 15 feet on the side that the property abuts a road if located at an intersection.
 - (D) Portable canopies may abut the rear property line. **(Please use caution to insure that the building is placed on your property).**
 - (E) Where the residential property abuts water, the portable canopy must be 20 feet from the water.

"Leading the Way in Defining Community Development"

Affidavit of Applicant for Portable Canopies

I, the undersigned applicant, being first duly sworn, depose and say that I am the owner, attorney, attorney-in-fact, agent, contractor, lessee or representative of the owners of the majority of the property described and which is the subject matter of the proposed application; that all answers to the questions in this application, and all site plans, sketches, data and other supplementary matters attached to and made a part of the application are honest and true to the best of my knowledge and belief.

Any costs, expenses, liens, lawsuits and liabilities that arise from the issuance of this permit regarding building location is the sole responsibility of the contractor and property owner. It is also understood that the County does not verify the final location of structures or their setbacks and that all structures must be located in compliance with required setback regulations. The Florida Building Code section 3105.5.3 states, Structures designed to be readily removed or repositioned during periods of high velocity shall be posted with a legible and readily visible decal or painted instructions to the owner or tenant to remove or reposition the structure or part thereof during such periods of time as designated by the US Weather Bureau as being a hurricane warning or alert. **Please note, it is the owner or tenant's responsibility to remove or reposition the structure as indicated above during a hurricane or tropical storm warning or alert.**
