

MEETING MINUTES
GROVE CITY STREET & DRAINAGE ADVISORY COMMITTEE
July 22, 2010
1:00 pm

Attendees: Audrey Shinske, Carolyn Spradlin, Patricia Samuels, and Mike Fischer
County - Tara Musselman and Tim Free

The meeting was called to order at 1:10 pm

Minutes: No minutes were submitted.

Business:

- Walking Park - Ms. Musselman advised the Committee that the copper wire for the lighting had been stolen again. This is the second time it has happened. No complaints were received that the lights were out; however, FPL called us to inquire when there was no usage. Upon inspection we found that the wire was removed. Staff has replaced the wire and is obtaining quotes for special bolts that would not allow anyone, without the key, to unlock the wiring area. The Committee again requested a "Park" sign created like the community signs, only smaller. Inquired about motion lights around the gazebo to deter any homeless or teenagers from trying to spend the night at the Park. Will the County have a ribbon cutting? Ms. Musselman will speak with Mr. Quick regarding this.
- The Committee discussed the FY11 budget and reviewed the nine-month financial reports.
- Discussion regarding the "alleyways" in the area. Mr. Free will look and see if the County can maintain them.

The meeting was adjourned at 1:35 pm

Respectfully submitted,

Tara L. Musselman
Municipal Services District Representative
