County - Tara Musselman, Kim Raymond  
Absent –Jay Carlson

The meeting was called to order at 8:30 a.m.

**Minutes:** No minutes to approve.

**Business:**

- Ms. Musselman updated the Committee on the MSBU study. She stated the Board of County Commissioners (BCC) requested additional information from the consultants, which will require the MSBU's to remain the same for the next fiscal year.
- Ms. Miller discussed moving forward based on the information received, regarding the MSBU study. She stated members need to get familiar with their assigned areas.
- The Committee reviewed the 2008/09 draft budget.
- Mr. Logan stated the condition of Peachland Boulevard is very poor. He inquired on the paving status. Ms. Musselman stated she will submit the road and bridge paving schedule to the members.
- Ms. Miller discussed agenda items for the next meeting, such as, controlled structures, GDOC markers and proposed paving program.
- Ms. Musselman informed the Committee of the three ways residents can submit issues or complaints to Public Works. Call her directly, call the main 575-3600 or go to the PW web page.
- The members determined the purpose of this Committee is to approve the budgets for various projects, bring issues and concerns to Ms. Musselman from their area and help adopt the minimum standards to Public Works to develop future plans.
- The Committee requested a map of the roads being projected for paving in the next five years. They requested Mr. Jeff Keyser to attend the next meeting regarding the five year projection.
- The Committee discussed relaying information to the residents with better communication and education. They suggested having town hall meetings in the future. The Committee requested Ms. Musselman bring her marketing ideas to the next meeting for implementation.

The next scheduled meeting is Wednesday, May 14, 2008 at 8:30 a.m. at Public Works Conference Room.

The meeting was adjourned at 9:30 a.m.

Respectfully submitted,

Tara L. Musselman  
Municipal Services District Representative
