

CONSERVATION CHARLOTTE

ENVIRONMENTALLY SENSITIVE LANDS OVERSIGHT COMMITTEE

Conservation Charlotte is a program of Charlotte County Government

**December 3, 2010, 8:45 AM - 12:30 PM,
Leverock's Restaurant & Marina
7092 Placida Road
Placida, FL 33946**

AGENDA

PUBLIC MEETING / FIELD TRIP

- 8:45 am Meet at Leverock's Restaurant & Marina to begin loading boats
- 9:00 am Boats leave Dock
- 9:20 am Arrive at Thornton Key Preserve
- 9:30 am Walking Tour of Thornton Key Preserve –
ESLOC Committee Members, Public, and Parks & Natural Resources staff will participate in a guided walking tour of the Thornton Key Preserve property. While on tour, plant, animal, and various habitats will be introduced including the unique qualities of the salt marsh environment and Barrier Island. The purpose of the tour is to provide an on sight overview of the property that was purchased through the Charlotte County Environmentally Sensitive Lands Program.
- 10:30 am Return to Docks
- 10:45 am Leave Docks -
Make a stop at the Palm Island Resort Club House where Rick Brunette, General Manager of Palm Island Resort will provide a brief overview about the resort. Light Refreshments will be served.
- 11:30 am Load Boats – Return to Leverock's Restaurant & Marina
- 12:00 pm Arrive at Leverock's for a Review Meeting

*Next Meeting: February 1, 2011, 3:00 pm – 5:00 pm at
25550 Harbor View Road, Port Charlotte, Training Room B, program TBA.*
