

CSZ Certificate Transaction Table  
updated 10/12/10

If it shows (cancelled) under the "Transferred To" certificate number and name of purchaser, that means that the units have been transferred to another owner and those density units are no longer available for purchase from that certificate owner.

If it shows (cancelled and completed) under the "Transferred To" certificate number and name of purchaser, that means those density units have been transferred to a Receiving Zone and are no longer available for purchase.
